NAME

Like many other English family names, the spelling of the name ADSIT has undergone many changes and corruptions. From the Parish register of North Chapel, Petsworth, Sussex county, England it appears that the original spelling was probably "Adset, Adsett and Adsit". The name "Ashead" is found in other parts of England and is probably the original Anglo-Saxon name known as Adsit. Various records in New England reveal an interesting variation of the spelling of the name Adsit, viz.: Agat, Aget, Ageet, Agset, Agget, Adget, Adgit, Adset, Adseet, Hadset. Three spellings of the name occur in the will of John Adsit of Lyme, Connecticut: John Agset, John Ageet, Senr. and signed John Ageet.
