## FOREWORD

This volume is a labor of love and represents the combined efforts of many members of the family over a long period of years. It is not presented as a finished and final work, or as a complete and polished "Genealogy" in the usual sense. It is presented, as an up-dated report to the Addkison Family Association holding it's Seventh Annual Re-Union in Louisville, Mississippi on July 9, 1972.

The facts, so briefly outlined here, were procured from attic files, old trunks, old bibles, original deeds, wills and court records, cemetery inscriptions; together with extensive local research in courthouses and libraries in the South.

As yet we cannot prove the early ancestry of Andrew Addkison, Esq. who was the husband of \_\_\_\_\_ Fisher and Mary Elizabeth Bain(e), himself the "Grand Old Man" of this family. We have many clues but no actual record connecting him with the early family in Virginia and North Carolina. We hope to make this tie before we again meet in July, 1973.

Except for the Brasfield Genealogy, published in 1958, practically none of the information contained herein has previously been published. For this reason, incomplete as it is and with many blanks yet to be filled, we hope this work will be of interest to our family and of help to other genealogists struggling to locate information on Southern Families. We have massive files to document the lines shown herein. Comments, criticisms and exchange of information will be welcome - if addressed to the Family Historian who reports annually to the Family Association at its meeting held in Louisville Mississippi on the second Sunday in July.

ANCESTRY OF MARY ELIZABETH BAIN(E)  
1813-1877

Our earliest known ancestor, Joseph McDowell Sr. was born in Tyrone County, North Ireland in 1715. It was there in Ireland that he met Margaret O'Neil, also referred to in some family records as "Lady Margaret". She was born about 1723 in North East Ireland, probably in Tyrone or Antrim Co. She was descended from ancient Irish Kings and Earls, and was a member of one of the proudest families of the old native Celtic race. The O'Neils were of Catholic religion and "landed gentry", whereas the McDowell's, recently from Scotland, were Presbyterians. In the political atmosphere of the time, the McDowells were somewhat frowned upon by the stately O'Neils. Joseph and Margaret, despite her family wishes, were married about 1739 in North Ireland. Soon afterwards they decided to leave their troubled land and move to America. They first settled in Pennsylvania, but soon moved to the Shenandoah Valley near Winchester, Virginia. It was there (now Frederick County, Virginia) that their sons were born: Hugh in 1742, Charles in 1743, John in \_\_\_\_\_, and Joseph Jr. in 1756. Joseph Sr. a Lt. of Colonial troops and later earned his title as Captain in the French and Indian War. Early records indicate that he served with Virginia troops under George Washington in Braddocks disastrous campaign. Joseph Sr's. relative, who was later to be known as "Hunting John" McDowell, had moved about the same time, from Ireland and had then moved from Frederick County, Virginia to the Catawba Country of North Carolina prior to 1758. Joseph Sr. and family followed him in 1761, after being granted much land in North Carolina. We have these early land grants. He settled in an area known as "Quaker Meadows", (then in Anson-Rowan) now Burke Co. North Carolina, where the sons of Joseph Sr. grew to manhood. Joseph Sr. died in Nov. of 1771 in Burke Co. N.C. and is buried in the McDowell Cemetery. (see page 7 for outline of our descent from Capt. Joseph Sr. and page 8 for cemetery location and tombstone records; also see pages 9 and 10 for the Will of Joseph Sr. The younger sons of Joseph Sr. and Margaret O'Neil were all notable and listed in many state and county histories in Virginia and North Carolina. In the Revolutionary War Charles was a General, John was a Major and Joseph Jr. was a Colonel; however, it was his eldest son Hugh McDowell, who died before the Revolution, who was our ancestor. Hugh's mother, Margaret O'Neal(O'Neil), died about 1790 and is one of the few woman listed as a Patriot Ancestor by the DAR (Daughters of the American Revolution). Our Hugh McDowell was born in 1742 in Frederick County, Va. He married Jane(Jean) \_\_\_\_\_ about 1760 in Frederick County, Va. She was born about 1742, probably in Frederick County, Va. also. They had three daughters, namely: Margaret, Hannah and Mary. Hugh died at the early age of 30, on the 30th of March 1772 in Burke County, North Carolina. (see pages 11 and 12 for a copy of Hugh's will) Of his three daughters, it is Hannah McDowell that we will follow.

Hannah McDowell was born about 1767 in Rowan (later Burke Co.) North Carolina. She married Alexander McGinty Jr. about 1787 in Burke County. He was born in 1765 in Mecklenburg County, North Carolina. His parents were Alexander Sr. and Mary Ann Orr McGinty. Alexander Jr. and Hannah had two boys and two girls: Abner, Henry McDowal, Sophia Josephine and Mary Ann. Alexander Jr. died about 1796 and his father died in 1803 in Mecklenburg County, North Carolina. (see page 13 for a copy of his father's Will). Hannah died about 1835 in Mecklenburg Co. Of their four children, it is Sophia Josephine McGinty from whom we descend.

Sophia Josephine McGinty was born 23 June 1791 in Mecklenburg County, N.C. She married Matthew Bain(e) in 1809 at Mecklenburg County. He was born 11 Apr. 1785 in Mecklenburg County. His parents were Robert and Martha Bain, of Cabarrus and Mecklenburg Counties, N.C. Matthew was one of the younger of ten children. Matthew served in the North Carolina General Assembly from 1822 thru 1826. Sometime after 1830, Matthew and his family moved to Attala Co. Mississippi after selling their properties in Mecklenburg, Co. N.C. Matthew died 5 June 1856 and Sophia died 3 June 1858 in Attala Co. Mississippi. They are both buried in the Old City Cemetery in Kosciusko, Attala Co. Mississippi. From here we will follow the descendants of their daughters, Mary Elizabeth Bain who married ANDREW ADDKISON, Esq, and Margaret Bernice Baine, from whom is descended Elma Louise Foster Nelson (Mrs. W.M. Junior) who did most of the early research on the family of Matthew and Sophia Baine, and has collaborated closely (since 1961) in joint research with Charles T. Brasfield, Jr. our Addkison Family Historian. Her related line is as follows:

Margaret Bernice Baine was born about 1815 in Mecklenburg Co. North Carolina. She married Charles Boyd. He was born about 1810 in South Carolina. They had one daughter, Susan Wilder Boyd. Charles died between 1840 and 1843 in Attala Co. Miss. Margaret died after 1868 in Yazoo Co. Mississippi.

Susan Wilder Boyd was born 22 Feb. 1839 in Attala Co. Mississippi. She married Chirstopher Thomas Foster in 1858. He was born in 1836 at Madison Co. Mississippi. His father was Cyril Foster. They had one boy, Richard Lee Foster. Thomas died in 1891 at Yazoo City Miss. Susan died 16 Nov. 1928 at Jackson, Mississippi.

Richard Lee Foster was born 19 Feb. 1876 in Benton, Yazoo Co. Mississippi. He married Mary Louise Thomson on 8 Feb. 1900. Her parents were Dr. Joseph White Thomson and Meliora Caroline Newton. Mary Louise was born 26 Aug. 1880 at Crystal Springs, Mississippi. They had one girl and one boy; Elma Louise Foster and Richard Lawrence Foster. Richard Lee died 22 July 1948 at Jackson, Miss. Mary Louise died 4 Feb. 1964 also at Jackson.

Elma Louise Foster was born 19 Mar. 1904 in Jackson, Mississippi. She married William Miller NELSON Jr. on 16 Jan. 1924 in Hinds Co. Miss. His parents were William Miller NELSON Sr. and Sue FERRELL. William Jr. was born 18 Aug. 1899 in Holly Springs, Mississippi. They had one boy, William Miller NELSON III. William Jr. died 11 Aug. 1961 in Yazoo City, Mississippi. Elma lives in Yazoo City, Mississippi.

William Miller NELSON III was born 11 Nov. 1925 in Jackson, Hinds Co. Miss. He married Ann Upshaw BARRIER on 1 Nov. 1950. They have two girls and one boy; Alexandria Louise, born 25 Sept. 1951, married Alton Barney LEWIS Jr. on 19 June 1971; William Miller NELSON IV, born 5 Feb. 1953 and Ann Elizabeth NELSON, born 16 Aug. 1955.

Richard Lawrence FOSTER, born 22 Oct. 1911 in Jackson Hinds Co. Miss. He married Pearl Grace KELLY on 27 Aug. 1942 in Jackson, Mississippi. She was born in Raleigh, Mississippi. They have three boys and three girls: Richard Kelly FOSTER born 23 Nov. 1943, James Thomas FOSTER born 15 June 1945, David Lee FOSTER born 24 Feb. 1950, Linda Louise FOSTER born 7 Dec. 1955, Grace Ann FOSTER born 13 Mar. 1957 and Cynthia Lynn FOSTER born \_\_\_\_ May 1966.

NOTES

1951, May 6. Headstone inscriptions copied by: W.Leon Gilbert, Dr. J.E. Hodges, and R.L. Hefner; accompanied by T.A. Moritz and Joe Shell (verified by N.M.G. own copying of stone inscriptions).

1963, Aug. 27. The list, then in possession of Mary Greenlee of Old Fort N.C. near Marion, was re-typed by: Agnes Nesbitt Clark, 1604 East Main St. Spartanburg, SC.

1963, August. Mary Greenlee was visited by Elma Foster Nelson (Mrs. W.M.Jr.) of Yazoo City, Miss. and received a copy of the list. On arrival home E.F.N. sent a copy to the writer of these notes, Charles T. Brasfield Jr. 3416 East Briarcliff Rd. Birmingham, Alabama who on

1965, Oct. 29 visited Quaker Meadows, with friends, but did not find cemetery. Then 1969, June 9 C.T.B. went back to Morganton and Quaker Meadows alone to do serious family research-found cemetery-visited W M N C and verified headstone inscriptions of his direct ancestors (Hugh and his father Capt. Joseph) The cemetery is in thick woods and was heavily overgrown at the time.

LETTER OF TRANSMITTAL  
June 1961

Enclosed is the text of a certified copy of a Will which is very important in our family history. It officially confirms a "legend or myth" which has come down through several branches of the family from Colonial times. This is the Will of Joseph McDowell(Senior) of Quaker Meadows, N.C. who died there in 1771. He was a distinguished colonial officer of Frederick County, Va. and was granted much land in N.C. moving there in 1761 with his family. His wife was Margaret O'Neal, and they both were born in Northern Ireland. He was Scotch and she Irish - both of very old families. This family has been recorded in many state and county histories of Virginia and North Carolina. His sons Charles (a general), John (a major) and Joseph Jr. (a colonel) are widely recorded in North Carolina Revolutionary War History.

His eldest son, Hugh McDowell, was the father of Hannah McDowell who married Alexander McGinty, Jr., and their daughter Sophia Josephine McGinty Married (1809) Matthew Bain in N.C. Matthew was a member of N.C. General Assembly 1822, 3, 4, 5 and 6 (from Mecklenburg Co.) and later (1831) moved to Attala County, Miss. where his daughters married into the families of Adams, Addkison, Boyd, McKinnon, and others.

You should file this Will with your family papers, or send it on to a member of the family who is interested in the preservation of the early records.

I thought you would be interested in this prior to the release of all the detailed information which will follow at a later date. Comments would be appreciated.
