EXPLANATION.

The figure at the right of a given name signifies the number of the generation from Jeremiah Burch. The number before a name points forward to the paragraph of the same number where this name occurs again. The following abbreviations are used: b. born, d. died, m. married, res. residence, dau. daughter.

The object of this publication is to help preserve and honor the memory of our ancestors and of those dear to us in the ties of kinship, and to draw those that remain nearer together in love, sympathy and good comradeship.
