PREFACE.

In the year 1868 a "Genealogy of the Brubacher family and connections" was written out for my own satisfaction, as also for future reference. In the year 1870, while visiting in Canada, Uncle John Brubacher (Deacon) earnestly requested that it should be printed, giving two dollars towards the expense. He succeeded in gaining the promise. To fulfill that promise, by the help of the Lord, the original has been rewritten and enlarged. Care was taken to gather reliable information. Any doubtful information was not accepted. Notwithstanding, errors will be found, because of incorrect information. Whenever a — occurs the necessary information could not be ascertained. The figures enclosed, thus (1) indicate the generation in America, thus: (1) John Brubacher, (1) Theodore Eby, &c., indicates that they were the first generation in America. Hoping all honor will be given to the Lord, the "Genealogy" is now respectfully submitted to the public.

JACOB N. BRUBACHER.

THE
BRUBACHER GENEALOGY.

(1) JOHN BRUBACHER.
(FIRST GENERATION IN AMERICA.)

(1) JOHN BRUBACHER emigrated from Switzerland, Europe, to America about the year 1710. On the 27th of September, 1717, he, in company with Christian Hershey, took out a warrant of 1000 acres of land, lying on the Little Conestoga, in West Hempfield Twp., Lancaster Co., Pa. Here on this tract of land, John Brubacher built the first grist and saw mill in Lancaster Co.

In the year 1718 John Brubacher and Christian Hershey divided the above tract of 1000 acres into two equal shares of 500 acres each by a line east and west, Brubacher getting the southern half and Hershey the northern half. Whether John Brubacher was married when he came to America cannot be ascertained.

In the year 1729, May 13th, John Brubacher and his wife Anna, sold and conveyed 150 acres of the above 500 acres, on which were erected the grist and saw mill, to Christian Stoneman. Tradition says, he was under the impression that the "Milling business" has a tendency to lead men into dishonesty.

(2) JOHN BRUBACHER.

(SECOND GENERATION IN AMERICA.)

The following is a description of (2) John Brubacher and his descendants:

John Brubacher was born in the year of our Lord 1719, in West Hempfield township, Lancaster Co., Pa. He died April 9th, 1804, aged 84 years and 7 months. After he had grown to manhood he wished to go to Germany to seek himself a wife. His father sent him to Virginia for money—his father had land in Virginia. But when he returned from Virginia the neighbors had dissuaded his father from letting him go to Germany. The father died. Then (2) John went to Germany where he was received with joy. He married Maria Newcomer in the year 1750, eight days before Whitsuntide. He with his wife Maria, returned to America. His cousin Abraham Brubacher accompanied them. Abraham was so well pleased with the new country

that he wrote enticing letters to his brothers and sisters who also emigrated to America. More of their friends followed from time to time. One of the main causes was that they were subjected to many persecutions because of their faith and non-resistant doctrine. They had confidence in the proclamations of William Penn, feeling assured if once in Pennsylvania they could worship the God of their fathers according to the teachings of God's Word and the dictates of their consciences; which was unto them a full and a complete recompense for all their losses and privations in forsaking their native land.

Abraham Brubacher settled at the Middle Creek, in Clay township, Lancaster Co., Pa. In course of time he wanted to build a grist mill there. He met with difficulties on account of the "Water Right" which so offended him that he moved away. He moved into the vicinity called Indiantown, not far from where Ephrata now is. Here he settled. Hence his descendants are called the "Indiantown Brubachers." He begat children. The name of one was Abraham. He was a Preacher. The name of another one was Christian.

His descendants of the "Indiantown Brubachers are all scattered far.

After (2) John and Maria Brubach r returned to America, they settled at the Hammer Creek in Warwick township, Lancaster Co. But they were not permitted to live long together. After the short space of thirty weeks his wife died, on the 15th of December, 1750. Her remains were buried in the garden at the house. In the course of time the house was torn down and the garden changed into a meadow. Hence her grave was in the meadow. In the year 1880, her remains (not much could be found any more) were removed to the "Brubacher family grave yard" on the same farm and the grave marked with a marble grave stone bearing her name and date of death.

(2) John Brubacher married as his second wife Maria Tauner, eldest daughter of Michael Tauner, (since changed to Doner) April 30th, 1751. (Maria Tauner was born February 11th, 1729, and died June 21st, 1802, aged 73 years, 4 months and 10 days.) Her sister was married to her husband's brother, (2) Daniel Brubacher.

(2) John and Maria (Tauner) Brubacher begat sons and daughters, viz: (3) John Brubacher was born February 19th, 1752 "Old Style". (He died March 30th, 1783, aged 31 years, 1 month and 11 days.) He married Anna Eby. Their children are, (4)

John, (4) Maria, (4) Anna, (4) Christian.
(4) John Brubacher the eldest son settled near Frederick, in Maryland. He died about 1818.

(3) Anna Brubacher was born August 28th, 1753, "New Style." (She died September 17th, 1830, aged 77 years and 20 days.) She married John Mayer. They had 2 children.

(3) Maria Brubacher was born July 6th, 1756. She died July 12th, 1827, aged 71 years and 6 days. She married John Baer, of Elizabeth township, Lancaster Co., Pa. He died in 1802, aged 51 years, 7 months and 26 days.

(3) John and Maria (Brubacher) Baer begat children. (4) John, (4) Anna, (4) Benjamin, (4) David, (4) Maria, (4) Magdalena, (4) Susan, (4) Samuel, (4) Gabriel. (4) Samuel Baer, the next youngest of the children, married a Miss Weaver, daughter of George and — Weaver. Their children are, (5) Gabriel, (5) George W., (5) Anna, (5) Maria, (5) John, (5) Magdalena, (5) Samuel, (5) Isaac.

(3) Jacob Brubacher was born June 11th, 1758. He died of yellow fever, August 31st, 1793, aged 35 years, 2 months and 20 days. He married, in the year 1781, Susan Erb, daughter of Christian Erb. She was born

March 17th, 1762, and died January 22d, 1844, aged 81 years, 10 months and 5 days. Her brothers and sisters are, Joseph Erb, Daniel Erb, John Erb, Abraham Erb, Jacob Erb, Benjamin Erb, Elizabeth Erb, Magdalena Erb, Anna Erb, Barbara Erb, Christian Erb.

As already remarked (3) Jacob Brubacher died in 1793. His widow remained in widowhood nearly 51 years. In the year 1809 she traveled to Canada West to visit her daughter Maria, married to Benjamin Eby, her parents, *three* of her brothers and *four* sisters, who were all living in Canada West—then a wilderness.

The names of her brothers and sisters living in Canada are, Jacob, Abraham, John, Elisabeth, Barbara, Anna and Magdalena.

In the year 1816 she went the second time to Canada, accompanied by her youngest son John, who was single. She remained in Canada two years, keeping house for her son, John, until he married. She then returned home to spend the evening of her life continuing the necessary preparation to exchange this life with eternity.

On one of her journeys over the Alleghenies, she killed a large rattlesnake with her cane, proving that she was a very courageous woman.

(3) Elisabeth Brubacher, was born November 16th, 1764. She died January 17th, 1803, aged 38 years, 2 months and 1 day. She married Christian Martin. no correct information could be ascertained. It is supposed by some that John and Veronica (Brubacher) Bomberger settled in Lebanon Co., Pa.

(3) Barbara Brubacher was born October 18th, 1768. She died September 1846, aged 77 years and 11 months. She married Abraham Martin. Their children are, (4) John Martin, (4) Anna Martin.

After they landed in Philadelphia, they procured a wagon again, and hauled their mother from Philadelphia through the wilderness to the Hammer Creek, about 4 miles north of Lititz, Lancaster Co., where they settled and founded a "mill seat," known for many years as "Stauffer's mill."
